FEATURES

Special Out-Of-Home LCD Panel
By using commercial grade LCD panels for Out-Of-Home applications, the HYUNDAI Digital Signage display can provide a higher brightness and contrast than standard LCD TV panels. Our LCD panel enables to operate for longer working time, deliver clear and bright image contents in the portrait or landscape format without any loss of quality.
High Brightness & Contrast
Achieving a brightness up to 3,000 cd/m² and working with a smart dynamic contrast technology, the special Out-Of-Home panels ensure bright and sharp pictures with a facsimile depth, even in bright enlightened environments.

Cost Effective Media Player
HYUNDAI IT's display serves in-built media player enables to play various range of content including video, images and photos. Thanks to this solution, no need for an additional media player for cost and space efficiency.
